LESSON FAQ's

HOW DO LESSONS WORK?

Your lesson will start with a consultation discussing your lifestyle, personal style and beauty concerns you might have. We will then design looks that will ensure your features are beautifully and easily enhanced, We will perform a makeover on one side of your face and guide you as you proceed to achieve the same look on the other side of the face.

All lessons include face shaping, colour coding, brow shaping, a personalised makeup chart with recommended products and a "how to" makeup manual.
